

HIBERNATE IN STYLE

Will you cozy up like Christian or snuggle in like Sophia?

Designer Rachel Schwartz is a confessed maximalist, welcoming a healthy dose of color, shape and texture. She imagines the perfect winter den for a variety of her favorite personalities.

ABOUT RACHEL SCHWARTZ

Rachel started her career at Atlantic Records and Rolling Stone Magazine before joining her 95-year old family business designing websites, logos and marketing materials.

As an Interior Designer, Rachel has an innate sensibility for imaginative and inventive style that is unique but livable.

WE LOVE IT: Rachel creatively used Viyet's Nendo bookcases against a fabulous wallpaper
